

Multi-Purpose Silicone Spray

- **Lubricates & Waterproofs**
- **Protects**
- **Eliminates Squeaks**
- **Prevents Seizing**

A clear, non-staining, odourless and durable silicone formula for use on metal, wood, rubber and plastics.

AeroPak Silicone Spray is ideal where you don't want oil or grease but you still need lubrication. AeroPak Silicone Spray is a durable, odourless, advanced synthetic silicone formula that's safe for use on metal, wood, rubber and vinyl. A highly water resistant quality lubricant that's ideal in extreme temperature ranges, and is non-reactive to most substances, and is also an excellent mould release.

NOTE: Some plastics and painted surfaces may be damaged on contact, please spot check before use.

IMPORTANT: Avoid using silicone spray, On any surface upon which you walk or sit, On surfaces to be painted, On non slip areas like control surfaces, door knobs & safety rails.

APPLICATION

IMPORTANT : Shake the can vigorously for one minute before use. Hold upright, point nozzle at target from a distance of 15 cm and spray. Use regularly for best effect. Wipe off excess with a clean dry cloth.

CLEAN UP

Always minimize over spray when using AeroPak Silicone Spray near areas to be painted. Clean any over spray by wiping with a dry disposable cloth.

CORRECT DISPOSAL
